Great news for your door.

Leave your keys at home with the new E-LOK 7-SERIES Smart Lock. Powered by the E-LOK app and compatible with E-LOK Gateway.

A New Zealand first, at 38mm wide E-LOK 7-SERIES smart locks fit on a wide range of narrow profile aluminium joinery. Packed full of features despite its form factor, the E-LOK 7-SERIES is the perfect compliment for your door.

Easy retrofitting with adjustable top fixing-screw design. E-LOK 7-SERIES can be spec'd with matching coverplates for any existing hole on your door.

E-LOK App allows for wide range of controls. Programme the smart lock on Auto-lock or passage mode. Add and delete range of custom pincodes right from your phone and view access records including failed unlock attempts.
